Services

Graphic Design

MicroTeck Studios provides premium graphic services for your unique requirements, whether it is a small graphic for your website or business card to full sized banners and vehicle decals. Graphic design is a broad field allowing complete customization. It has several branches that tie into Logo design, web design, print design and so on.

Print Design

MicroTeck Studios print services include:

- Presentation folders
- Vinyl decals
- Stickers
- Brochures
- Pamphlets
- Rack cards
- Business cards
- Signage
- Banners
- Stationery (letterheads, notepads, envelopes, etc.)
- Postcards
- Plastic cards (access cards, business cards, gift cards, discount cards, ID badges, etc.)
- And more!

High Definition Advertisement Systems

MicroTeck Studios offer many solutions for promoting your company or organization.

We can provide you with key information to increase your sales significantly and thus giving your business the success it strives for.

If your company goes to tradeshow or any other venue to showcase their services and products, an automated advertisement system is perfect for your purpose. This turnkey system will power on, and automatically open the slideshow or media that has been custom designed to attract potential customers. No training is necessary; just plug it in and press the power button. Our systems are designed for HDTV offering the highest quality of media for your customers.

Web Design & Development

- Layout & design
- Content management system
- Registered domain name
- Traffic statistics
- Photo gallery
- Customized forms
- Email newsletter design & distribution
- Discussion board
- Shopping cart integration
- Backup of project files to DVD

Services

(continued)

Web Hosting

MicroTeck Studios is able to provide you with top notch web hosting solutions. The services we provide is the best in its class and offers many options for your business or organization.

We will provide you with:

- Email Hosting
- Various monthly bandwidth rates
- FTP Access
- MySQL Database
- Readily available support

Search Engine Optimization (SEO)

Search Engine Optimization is an important tool that enables fast and easy access to your company or organization for information and products. Take for example a company known as "**Linda's Shoes inc.**" into Google's search engine. What would normally appear prior to SEO is someone else's website or a phone number from the local directory. After an SEO implementation, "Linda's Shoes inc." will be at the top of every search engine ensuring ease of use for customers and help obtain a larger spectrum of customers.

Promotional Solutions / Business Identity

Promotional products are a great way to spread the word about your organizations products and services. If you are looking to put your logo on merchandise, look no further; MicroTeck Studios has you covered.

- Pens
- Shirts
- Jackets
- Hats
- Mugs
- Keychains
- Bags (tote bags, laptop bags, briefcases, etc.)
- Binders
- Folders (binders, portfolios, notebooks, etc.)
- Multi-tools
- Magnets
- Lanyards
- Flashlights
- Golf Balls
- And more!

Miscellaneous Information

Billing

A 50% non-refundable deposit is required for the negotiated work to commence. Remaining balances or any additional charges incurred are due within thirty days from the posted invoice date (Net 30). Cheques must be made payable to MicroTeck Studios Inc.

Privacy Statement

MicroTeck Studios will protect any and all information acquired from its clients, keeping confidentiality a top priority and out of the wrong hands. This provides clients with piece of mind while retaining a healthy business relationship.

About Us

MicroTeck Studios is a marketing and design firm geared towards enriching the experience of companies we provide services for and most importantly, the end user. We pride ourselves on providing products and services of the highest quality while exceeding customer satisfaction.

MicroTeck Studios started off as an IT consultation firm and has progressed into the visual aspects of the computer industry. Several doors to the print and promotion industries have been opened due to our graphic and design expertise.

We are happy to cater to your specific needs as a client. Please feel free to contact us inquiring about our broad range of products and services we provide, as well as any questions you may have.
